Feet
A Hank's Machine
& Implement Co

Bank Bldg built 1884 - Hank's there only
one story high and built next door south of that Bank Bldg.
Apparently Hank's business started about 1904
& contd till 1908 when A C Hank's
moved his family to Leake.

It appears that this is when
consolidated Wagon & Machine
Co. took over the Hank's business, and
moved in the south portion of the Hotel More
